Faiths in Action – your chance for funding

If you have an idea for a project that will bring your community together,
we could help make it happen.

Faiths in Action – your chance for funding

If you have an idea for a project that will bring your community together, we could help make it happen.

Grants of up to £6,000 are available for faith, inter faith, voluntary and community sector groups and organisations working at a local level. So whether you'd like to start an inter faith youth group, organise a street festival, or run an arts workshop to explore the different faiths in your community, don't miss out on your chance for funding.

Faiths in Action is a £4 million grant programme aiming to create more opportunities for face-to-face dialogue and collaboration between different faiths within local communities.

Applications are considered on a continuous basis until the total value of the fund has been awarded to successful groups.
