TRAVEL

Directions to The Burnley & Pendle Faith Centre

A) Drive east along M65 until you reach Junction 8. At slip road take the 1st turn signposted Clitheroe = A671 & brown sign for Barden Mill

B) About 1.5/2 miles of dual carriageway later, drive straight through set of traffic lights, and then straight thro' a second set of lights. You will then be on the A6068 (Fence By pass) driving towards Nelson/Skipton/Fence (2 lots of 50mph speed cameras on this road).

C) About 3.5 miles from the second set of lights you will see a turning to your RIGHT signposted 'Burnley 4 miles – also a brown sign for Barden Mill. Turn right and follow this road. Note 50 mph speed cameras just before you turn right.

D) About 1.5 miles along this road you will drive over a canal bridge and see 'Barden Mill' / 'Reedley Marina' on your left. Drive straight past the Mill and under Railway Bridge immediately in front of you.

E) About 200m along this road you will see a main turning to your left = Windermere Rd. Ignore this. Rather, drive approx 50m or so and take your first RIGHT towards the back of the new Burnley Campus. (This is the same turning as if going to the old Faith Centre). Take your first LEFT into the new Burnley Campus car park. Having parked, walk away from the car park entrance towards the main entrance of the Campus. Walk up the steps and in the door! The Burnley & Pendle Faith Centre is the first two doors on your LEFT.

If car park is full, please find a space on the road, opposite or near the new Campus building.

For info, from Junction 8 of the M65 to the Faith Centre is about 10 mins.
